

Small and medium sized UK businesses have overpaid on their energy contracts by as much as £7 billion in the last year.\* We passionately believe that all consumers should have quick and easy access to the best energy deals available. So we've created an ingenious opportunity to help organisations retain and grow their client portfolio by having their own switching site, and allowing clients/members to readily and easily check, and switch to better energy deals.

Your Switching Site

# FAQ's

*Frequently asked questions & answers...*

## 1) What is this?

A simple, but sophisticated online energy tariff aggregator for businesses.

## 2) What does it do?

It quickly returns LIVE prices from all tariffs, from all UK suppliers on non-half hourly and small Gas meters. Half Hourly (HH) and large Gas meters are set up for a bespoke quotation.

## 3) Who can use it and where do quotes go?

Anyone, it's quick and really easy to use - once a visitors quote has been displayed, they simply add their email address to receive their own copy.

## 4) Where do contracts go?

Contracts go straight to the visitor for them to sign with DocuSign™. Once completed, the contract is sent to the administration team at GET Solutions for them to process the contract application.

## 5) Can the Switching Site owner change the Uplift?

Yes, this will be done by the GET Solutions IT team on set up, however this can be quickly and easily revised at a later date.

## 6) Is reporting available?

Yes, we can provide reporting on your switching sites activity, contact us for further information.

## 7) Can I adapt the website?

Yes, within the template design, you will be able to specify your preferred or corporate colour, title and intro text. Provide this information with your logo and our IT team will build your very own bespoke switching site.

## 8) How do I get my switching site?

Simply join GET Solutions as an introducer, provide your logo and company details, complete our Introducer contract and we'll do the rest. If don't have a logo or need assistance with content, don't worry our marketing team can assist.\*\*
